

Stockhands Horses for Healing invites veterans from all branches of service to participate in a free program from 6pm to 8pm on the first and third Fridays of every month. Activities include learning all aspects of horsemanship while engaging in camaraderie and fellowship. Whether you are looking for a healing environment or want an opportunity to help others heal, you are welcome to come and be a part of the Stockhands family.

We can schedule independent sessions for individuals who cannot join us for the group meeting. We also welcome you to participate throughout the week as a volunteer. We have activities and opportunities available Monday thru Thursday between the hours of 10am and 8pm. Weekend opportunities vary.

If you would like more information, please contact us by emailing stockhandshorsesforhealing@gmail.com

Participants are requested to provide DD214 or other documentation as confirmation of military service.
