Hi, I am a volunteer with Stockhands Horses for Healing and we are hosting a large fundraising event in May. Our 5th Annual Running of the Roses Derby Benefit is coming up on May 4, 2019. This year our event will be held at Ohio Wesleyan University in the Hamilton Williams Center, Benes Room at 5 p. m.

*Stockhands Horses for Healing, is a non-profit (501c3) therapeutic riding center located in Delaware, Ohio. We provide Equine Assisted Therapies for individuals with autism spectrum disorder and other developmental & physical delays, disabilities and challenges along with our Veterans and First Responder Programs and addiction recovery programs.*

Our event is expected to draw in supporters, partners and clients from throughout Central Ohio. Each participating business will be prominently featured in all our print materials for the event, as well as all social media marketing prior to and during the event, as well as in all follow up recognition and promotional materials throughout the year. In addition, each program contains a “support our supporters” flyer listing contact details for these businesses.

Can you help us out with a donation of a product or service from your business? All donations are greatly appreciated and are tax deductible. Your donation can be something as simple as a gift certificate to your business, a tangible item representing your business and/or services, or a unique experience your business offers. A donation form for silent auction items is attached. Simply fill it out, then call or email us and we’ll handle everything.

Our Derby Event will feature live streaming of the KY Derby, a silent auction, heavy hors d’oeuvres, Mint Juleps and Oak Lily’s, plus much more! If you are interested in attending or sponsoring a table for our event, please see the enclosed Sponsorship Levels and Commitment Form.

See the enclosed is a Silent Auction Donation Form for your convenience.

Thank you so much for your time and consideration. Please do not hesitate to reach out with any questions about the event or if you’re interested in learning more about Stockhands Horses for Healing.
